

WHAT
BruxZir[®]
CAN DO
FOR YOUR
smile

**BRUXZIR ZIRCONIA
IS IDEAL FOR:**

- Straightening crooked teeth
- Closing unsightly spaces
- Replacing missing teeth
- Restoring damaged fillings
- Removing metal from your mouth
- Strengthening weakened or broken teeth

**TWO TYPES OF BRUXZIR ZIRCONIA
ARE NOW AVAILABLE:**

1. **BruxZir Full-Strength** – Strong, reliable, chip-resistant, and the top-prescribed material by dentists.
2. **BruxZir Esthetic** – Developed to add a naturally beautiful appearance to your smile.

LEADING

BruxZir® Zirconia is the No. 1 brand worldwide for dental restorations. BruxZir has been used to create more than 31 million beautiful smiles. You can have confidence that BruxZir will deliver the strength you want and a look you love.

LASTING

A confident smile lights up your whole face, and nothing generates confidence the way BruxZir does. Day after day, year after year, BruxZir delivers the strength, beauty and quality you deserve.

LIFE-CHANGING
RESULTS PEOPLE LOVE

“

My teeth always made me feel self-conscious. I was afraid to show them. Now, because of my BruxZir Esthetic crown and veneers, I get so many compliments and I love to smile again.”

— **Maria X.**, BruxZir Patient

LIFE-CHANGING
YOUR SMILE MATTERS

“

Before receiving my BruxZir Esthetic bridge, it was traumatic, embarrassing, and, at times, painful for me to talk or interact with people because I was worrying about my teeth. Now, I smile beautifully with confidence.”

— **Maria J.**, BruxZir Patient
